1 INTRODUCTION

- 1.1 DPHA is committed to the principles of good corporate governance and sustainability and to developing fair and consistent policies, procedures and practices.
- 1.2 This policy document covers donations and legacies made to DPHA and requests made to DPHA for donations.

2 PRINCIPLES

- Any donations received or made, is compliant with applicable laws and the Rules of DPHA.
- Any donation received or made, is not made to secure an improper business advantage.
- Any donations made are to a properly established charity and there is a valid charitable purpose for the donation.

3 PURPOSE

- 3.1 The purpose of this policy is to set out clear guidelines and procedures about:
- How the Association will deal with donations and legacies;
 - How the Association will respond to requests for donations;
 - Who, at senior level within the Association, will be responsible for dealing with donations and legacies?

4 RULES

- 4.1 The Association's Rules permit it to receive legacies and donations from benefactors – the Rule in question reads as follows:

"47.8 accept donations in support of the activities of the Association"

- 4.2 The Association's Rules also permit it to make donations – the Rule in question reads as follows:

"79.2 The Committee shall set and review periodically its policy for the donation of funds to charities. Such donations must further the objects of the Association and the Committee shall report to the Members on such donations."

- 4.3 The Association's objectives, as a registered social landlord and a registered Scottish charity, are set out in its Rules and read as follows:

"Objects

2. *The objects of the Association are:*

2.1 *to provide for the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage through the provision, construction, improvement and management of land and accommodation and the provision of care; and*

2.2 *any other purpose or object permitted under Section 24 of the Housing (Scotland) Act 2010 which is charitable both for the purposes of Section 7 of the Charities and Trustee Investment (Scotland) Act 2005 and also in relation to the application of the Taxes Acts."*

5 DONATIONS AND LEGACIES MADE TO DPHA

5.1 The Association will encourage donations and legacies. However, the Association will not attract or seek donations or legacies through advertising in newspapers.

5.2 The Association will respond to potential donor requests for information and will offer guidance accordingly. However, where a potential donor wishes to leave a legacy in a will the Association will liaise, if possible, with the donor through an independent body or person – for example a solicitor, doctor, or family member.

5.3 Where a legacy or donation is made towards the running costs of the Association, without any restriction as to its use, the Association will determine how best to utilise it.

5.4 In respect of fixed asset donations then the Association will arrange for the asset's legal title to be transferred to the Association at its cost.

5.5 The Association will not accept donation of fixed assets which run counter to the Association's legal, ethical and moral objectives, for example that a property is left to the Association for the sole use of accommodating one section of society precluding all others.

5.6 The Association may choose not to accept the donation of a fixed assets or properties whose condition is considered to be unacceptably poor warranting remedial work.

5.7 The Association may also choose not to accept fixed assets or properties which have restrictive covenants in place regarding change of use or development/improvement to meet modern housing standards. This includes listed buildings.

5.8 The Association may choose to dispose of a donated fixed asset or property subject to the price realised being applied according to the Association's objectives. Restrictive covenants preventing disposals may lead to a donation being declined.

5.9 In respect of the donation of equity stock listed on any exchange then the Association may retain the equity or stock holding earning dividends and participating in corporate activity e.g. rights issue, associated with stock as a stock holder. Dividends or earnings on equities or stock are subject to them being applied according to the Association's

objectives. Any corporate activity must be consistent with the Association's objectives.

- 5.10 The Association may decide to dispose of the stock at a value and at a time of its choosing subject to the price realised being applied according to the Association's objectives. Restrictive covenants preventing disposals may lead to a donation being declined.
- 5.11 The donation of chattels such as antiques or items of other value not used in the business operations of the Association may be retained or disposed of at a value and at a time of the Association's choosing subject to the price realised being applied according to the Association's objectives.
- 5.12 Where the Association receives cash donations, it will adhere to the following procedures:
- Only designated personnel of the Association will be permitted to receive cash donations;
 - Upon receiving a cash donation, the designated personnel will issue a receipt and put the cash donation in the Association's safe;
 - The designated personnel will notify the Director (in their absence the Finance Agent);
- 5.13 The Association may accept donations in kind, unless directed otherwise by the donor, will exercise its discretion as to the suitability (for example whether it complies with the appropriate regulations, safety standards or law) or distribution (for example to tenants of the Association's) of the donation in kind.
- 5.14 The Association may dispose of the donation in kind (for example by way of a sale - subject to the price realised being applied in accordance with the Association's objectives - or by way of discarding it) but only with the permission of the donor, where this is possible, or the donor's executors.
- 5.15 The Association may communicate and engage with donors with a view to facilitating a legacy, bequest or donation.
- 5.16 The Association manage Dalmuir Out of School Care Group (DOSCG). The group self-fund through organised activities e.g. Sponsored Walk, Bag Packing and Christmas Fayes. The group will accept donations and legacies in line with this Policy.

6 RESTRICTED FUNDS

- 6.1 Where a donor wishes his donation or legacy to be directed towards a specific project, or to benefit a geographical area or a class of beneficiaries, the Association will assess the donation and / or legacy to ensure that the donor's wishes can be respected and implemented. Where this is possible, the Association will use the donation or legacy for the identified matter.

- 6.2 Where this is not possible (for example because the project is not, in the Association's view, any longer feasible or desirable, or the beneficiaries targeted by the donor do not fall within the Association's own beneficiaries), then the Association's approach will depend on whether the donation or legacy forms a "Restricted Fund" or not.
- 6.3 Restricted Funds are defined in charity law as property (including money) given to a charity for a specific purpose and in respect of which conditions have been imposed as to its use.
- 6.4 If the donation or legacy does not form a Restricted Fund, then DPHA will apply the donation or legacy to an alternative aim most closely aligned with and related to the donor's wish or legacy. In doing so, the Association will endeavour to consult the donor (if they are still available) or the donor's relatives.
- 6.5 If the donation or legacy is a Restricted Fund, then the Association will approach the donor (if possible) to ascertain the wishes of the donor and ensure that those wishes can be achieved, albeit in a slightly different manner from that originally envisaged by the donor. If the donor's wishes cannot be ascertained (for example, because the donor is now deceased) then the Association will consider whether an application to the Office of the Scottish Charity Regulator (OSCR) for reorganisation of Restricted Funds is appropriate. If so, the Association will follow OSCR's application procedure and comply with any decision of OSCR on such an application.

7 REGISTER OF DONORS AND BENEFACTORS

- 7.1 The Association will keep a register of all donations and legacies, which register will comprise:
- The name of the donor [and all relevant details];
 - Whether the donation or legacy is to be publicised or kept anonymous – depending:
 - on the terms of the donation or legacy; or
 - the expressed wishes of the donor; or
 - whether the Association, in its absolute discretion, deems anonymity preferable to publicity;
 - The amount of the donation or legacy;
 - Whether the legacy is Restricted Fund or not and the type of restriction;
 - Whether the donation or legacy was in cash, assets, equities, chattels or kind;
 - The conditions, if any, (for example anonymity etc.) attached to the donation or legacy;
 - Details of the agents or representatives of the donors;

- 7.2 Notwithstanding the above, the Association will also assess whether the donation or legacy should be accepted, rejected and / or returned.
- 7.3 In addition, where a donation or legacy is from an employee, a Committee member or contractor, or a family member of any of them, the Association will verify whether such donation or legacy complies with the Association's internal policies, and the law, relating to the matter of gifts from an employee, a Committee member or contractor, or a family member of any of them.

8 EXCEPTIONAL CIRCUMSTANCES

- 8.1 In exceptional circumstances the Association may agree to apply all or part of a donation or legacy over time or in instalments. However, strict criteria, which must be adhered to and met, will be applied by the Association's Board. Examples of exceptional circumstances may be where the amount is such that partial and regulated distributions are more appropriate.
- 8.2 In any exceptional circumstance the Association will use its best endeavours to obtain the donor's consent, where this is possible, or the consent of the donor's family or executors.

9 DELEGATED AUTHORITIES

- 9.1 The Committee delegates authority to the Director to determine the appropriateness of any acceptance or decline of a donation of any type of asset.
- 9.2 Any decision on disposals or retention of a donated asset, stock, chattel or equity in accordance with the terms of this policy document shall require approval by the Board.
- 9.3 The development of procedures and records required to comply with this policy document shall be the responsibility of the Director to establish and monitor.

10 REQUESTS FOR DONATIONS

- 10.1 Our Rules (Rule 79.2) outline that the Committee shall set and review periodically its policy for the donation of funds to charities. Such donations must further the objects of the Association and the Committee shall report to the Members on such donations.
- 10.2 The Management Committee will consider on an annual basis, whether or not it is appropriate to set aside any funds for donations to appropriate registered charities.
- 10.3 The Management Committee will consider and agree the amount to be set aside and the appropriateness of ring-fencing amounts in the Charitable Donations Fund for specific purposes. Any proposals and approved budget for donations take cognisance of limits placed upon us by our lenders.
- 10.4 Separate revenue funds may be agreed annually, by the Committee and as part of the budget process, to support Wider Action.

- 10.5 The Management Committee delegate authority to consider and make decisions in respect of applications to the Charitable Donations Fund as detailed below:
- Requests less than or equal to £100 – Director
 - Requests more than £100, but less than or equal to £200 – Director and either Chair or Vice Chair
 - Requests greater than £200 – approval required by full Management Committee
- 10.6 The Management Committee, as Charitable Trustees, have set out clear procedures and criteria for the award of donations from the Charitable Donations Fund. The Director will report back to the Management Committee on applications received and awards made.
- 10.7 Where a member of our Management Committee, or one of our people as defined within the Entitlement, Payments & Benefits Policy (EPB) has any connection with the individual or organisation applying for a donation, they should declare this and they should not take part in either the consideration of or any decision on the application. All declarations of interest must be recorded in the EPB register whether a donation is agreed or not.
- 10.8 Applications should be made in writing, ideally using the form provided by us (Appendix 1). The application for funding must demonstrate that the charity is registered and does or will further the aims and objectives of DPHA.
- 10.9 Where DPHA makes a donation, we reserve the right to publicise the donation as part of our communications plan using press, social media and our website.

14 ANTI FRAUD, BRIBERY & CORRUPTION

- 14.1 DPHA is responsible for significant amounts of finance and other resources.
